STUDENTS' ELECTIONS
UNIVERSITY OF TURIN

BE THE DIFFERENCE

DIDACTIC

What we want...

A streamlined academic load following the increase of class hours.

Free and shared diffusion of educational material

Post-graduation orientation: meetings on medical licence, general medical practice courses and specialization

Alternative didactic on the topics proposed by the students (e.g. medical anthropology, sexology, doctor - patient relation, migration medicine)

Analysis and resolution of the new english-taught degree issues

Supervision of the new enabling degree.

STUDENT SPACES

What we want...

Increase of the study halls and their opening hours

Relax and recreational spaces for students

Printing center accessible to everyone

Heating of the students' changing room

Water fountains and SMAT points, water bottles for every student

Upgrade and expansion of the transportation network with the San Luigi campus

Connection of the campus with the bike lanes

Upgrade of the "Clinic Tutoring project", born from our collectives, with more educational offer

TRAINEESHIP

What we want...

The possibility to enroll online for traineeships and to evaluate them

The application of a programme in all traineeship where this is possible

The increase of agreements with hospitals and health service facilities

ABOVE AND BEYOND DIDACTIC

What we want...

Creation of a psychological counseling point, upgrade of the already existing ones, to guarantee the wellness, both physical and psychological, of San Luigi students.
